#### A draft is waiting on you

Hi,

Just a heads up, a renewal draft is sitting in your review queue and hasn't been approved yet. No rush, just flagging it so it doesn't slip.

#### Still waiting on your approval

Hi,

This renewal draft has been waiting a few days now. The deadline is getting closer, so it would help to get this approved or rejected soon.

#### Urgent: this renewal needs your decision

Hi,

This one is time-sensitive now. The renewal window is closing soon and this draft still needs your approval. If I don't hear back after this, I'll pause reminders and wait for you to pick it back up.
